

Consent Collection Statement

Consent for Identity, Criminal Record, and Health Data Processing.

Before proceeding with onboarding, please review and agree to the following:

By providing my explicit consent below:

- I authorise Liaison Group to collect, process, and retain my personal information, including health, identity, and criminal record data, for the purposes of verifying my suitability for NHS temporary assignments.
- I understand that this will involve secure sharing of my information with:
 - third-party vetting partners and their sub-processors, to carry out screening and identity verification; and
 - NHS Provider Organisations, for the purpose of assessing my suitability and managing engagement for clinical roles.
- I understand that I may withdraw my consent at any time by contacting infogov@liaisongroup.com
